Ms. Jauregui,  
Thank you for the photos and keeping in contact with the council office.

The Mayor's office is working through city dept. operations on this very important crisis.

We are all working to maintain our wonderful neighborhood in Leimert Park and throughout council district 10.

Let's keep in touch.

Good afternoon Albert,

Thank you for your response. As discussed and I understand you monitor the park frequently, at 7AM this morning, there was trash everywhere including dumpsters on Vernon endangering traffic flow and health of the community. These mounds of trash involve much more than one homeless individual to create. I am concerned of what our community will evolve into in the next week, next month, next year if nothing is done about this. It is making me evaluate whether I want to be a part of this once vibrant and exciting place as I came to see it 3 years ago when purchasing a home here. It's sad to think that I will have to avoid this park now on my way to Leimert metro station, this amenity is something I've been looking forward to using since I work off of the La Cienega/Jefferson Expo metro station. It is truly depressing on many levels.

I will keep posting progress on my311 as my time permits.

I'm really hoping the City will lift the moratorium soon.

Pic below of this morning.

Thank you for listening.

Gathering at nighttime up to 10 people here

Who's going to want to go into this park? Entrance overtaken.

Ms. Jauregui,  
Thank you for contacting the council office.

The Mayor's office has directed city depts with a moratorium on homeless encampment abatement.

City depts have been 'directed' to spot clean these locations through the city of Los Angeles.

Please note that I have filed a service request for attention to the encampment located at 4395 Leimert Park Blvd., SR# 1-1636473011.

Again, thank you for contacting the council office.

Feel free to call and let me know if the council office can be of assistance with future requests for city services.

Kind regards,
